

SWDCARC Net Control Preamble

This is _____ my name is _____, I am the Net Control Station for the Southwest Dallas County Amateur Radio Club Net. This is a directed net. The **purpose** of the net is to **learn** and **practice** net **procedures** and to share general items of interest and information to the club. The net meets every Monday at 8 PM. All stations licensed to operate on the 2 meter amateur radio band are welcomed to check into the net. When checking into the net, please speak slowly and clearly, give your call sign phonetically, then alphanumerically, followed by your name. Stations with Emergency traffic may check into the net at any time by using the pro-sign "break break". [In the event that the repeater goes down during the net, this net will reform on the 440 machine (444.500) or on 146.565 MHz simplex.]

SWDCARC Net Format

1. Net Preamble
2. Any stations with emergency traffic?
3. Mobile Check-Ins
4. Board member announcements?
5. General Check-Ins
6. Announcements made during the net - go over any announcements that were made during check-ins.
7. Final Check-Ins
8. Anyone wanting to conduct a Tech Talk or Swap Net?
9. Closing

SWDCARC Net Closing

This is _____ closing the Southwest Dallas County Amateur Radio Club Net. Thank you to all who participated. The next net will meet again next Monday at 8 PM local time. This is _____ returning the repeater to normal amateur operations.

OR

This is _____ turning the repeater over to _____ for Tech Talk/Swap Net.

(Note - after the repeater IDs, the Net Control should ID)
